EXPERIENCE

Cheil USA (Samsung) — Design Intern

Dallas, TX · June 2026 – August 2026

- Art directed 4 campaign concepts totaling 12 deliverables in a 3-day turnaround for Samsung's first round of creative review, then refined them into two client-approved concepts built around gaming and fashion culture to strengthen brand positioning for the product launch.
- Vibe-coded an AI agent using Samsung's brand system (color assets, typography) that cut creative deck production from 45 to 10 minutes (a 78% reduction), then pitched two more AI-agent concepts to Cheil's growth-team executives, aiming to ship the tools and showcase them at an upcoming AI conference.
- Produced 18 Key Visuals in 2 days for Samsung's unreleased 2026 Galaxy Watch launch, keeping the campaign on schedule for market release.
- Analyzed 15+ competing products, uncovering UX patterns that directly influenced Jebi's marketing page interface decisions.
- Stepped in as de facto Project Manager, directing Account Manager, Strategy, and Copywriter interns to hit campaign deadlines.

Providence Promise — UX Design Volunteer

Providence, RI · October 2025 – April 2026

- Interviewed 35+ users to surface their needs and wants, shaping the design direction for the program.
- Unified Providence Promise's fragmented WhatsApp, email, and text channels into one accessible incentive-tracking system.

Living Outside — UX Design Volunteer

Remote · July 2026 – Present

- Redesigned site navigation for the Living Outside website, reducing the number of clicks required for users to reach key resources.
- Maintained brand consistency across new site updates by applying established colors, typography, and visual standards.

Girl Scouts — Marketing & Communications Intern

Dallas, TX · June 2023 – August 2023

- Directed visual storytelling for a national Barbie collaboration, producing 20+ social and campaign assets that extended a global partnership's reach.
- Managed on-site logistics for 2 major Girl Scouts events, including prop coordination for the Barbie news broadcast, and oversaw camp site operations to understand programming firsthand.
- Strategized digital content from on-site research insights, partnering cross-functionally to amplify engagement across summer programming.

Design for America, Brown & RISD — Product Design

Providence, RI · Sept 2025 – Present

- Co-led a 6-person creative team to resolve complex UI/UX conflicts for a nonprofit mobile application.
- Synthesized insights from 10+ stakeholder interviews to define a creative direction balancing user needs and brand goals.
- Designed a targeted notification system informed by user interviews, improving engagement and content relevance.

Visions Magazine, Brown & RISD — Outreach & Events Coordinator

Providence, RI · Sept 2024 – Sept 2025

- Elevated visual consistency for a multidisciplinary arts publication through creative direction and content curation.
- Coordinated with 30+ cultural organizations to produce publications and events reaching 100+ attendees.

The College Hill Independent, Brown & RISD — Web Design

Providence, RI · Sept 2025 – May 2026

- Delivered weekly web layouts and article publishing for one of Brown/RISD's largest student publications, maintaining cohesive visual standards.
- Optimized site UX to improve readability, accessibility, and engagement.
